

Rathfriland High School

Getting Started with SIMS Parent App

Register

- Read the acceptable use policy, sent via post
- Complete the 'Data collection for SIMS Parent App' form on the school website (see SIMS Parent App Guidance document in pack) and Submit

Download

- Download the SIMS Parent App app from the Apple App or Google Play stores
- The system can also be accessed online at www.sims-parent.co.uk

Activate

- After you submit the 'Data collection for SIMS Parent App' form you will receive an email invitation
- Click on the link in the email invitation to activate your account.

Log on

- Once your account is activated you can log on using your username and password for other services, for example, Facebook, Twitter, Microsoft, Office 365, Google.
- If you don't have one of these accounts you can set one up easily.

Use

- You will now be able to easily access information about your child or children, including, attendance data, achievements, behaviour incidents, tracking marks (when published), academic reports (when published), timetable information and data collection
- Rathfriland High School will also be able to easily share information with you electronically in the form of messages and letters. This is quicker, cheaper, safer and better for the environment.

help your child complete homework by accessing their timetable

encourage your child by recognising their achievements

discuss any behaviour incidents with your child on the day they happen

check your child's attendance

update the contact information held by the school without the need to phone in or visit the school

access your child's tracking marks and academic report

receive messages and letters from the school instantly and without the need for paper or postage

check the school calendar for details of term dates and events

use SIMS PARENT APP!
